

STREET SIGHTS SPONSORSHIP PROGRAM

Times are tough!
You can make a difference in the lives of
Rhode Island's homeless individuals – here's how:

OUR GOALS:

- Reach each and every homeless person in Rhode Island, of which there are more than 6,000, with the information in *Street Sights*!
- Implement a training program for our homeless and formerly homeless staff members,
- Provide modest stipend support for our staff, most of whom are homeless.

YOUR CONTRIBUTION:

- With \$600: you can help us print more copies of *Street Sights*, and reach up to 500 more homeless individuals,
- With \$1,500: you can give professional training to our staff,
- With \$4,500: you can provide modest stipends to staff members for their written work, providing a measure of stability in their lives.

THE CONTINUUM OF GIVING

Your Contribution:

Through your sponsorship, you stand at the apex of social change. Here's how your contributions help shape our paper to benefit the community:

Supplies:

Your monetary contribution will help us purchase tools and materials to widen *Street Sights'* journalistic reach. Your sponsorship will enable us to buy much needed equipment such as cameras, computers, digital and tape recorders.

Outreach:

By contributing to *Street Sights*, you can help offset the cost of printing, allowing us to print more copies of the paper and ideally reach all of Rhode Island's homeless population.

Training:

Contributions will also help form, implement and expand journalism training programs for our staff and future staff - many of whom are homeless .

Social Change:

By enabling *Street Sights* to expand and ideally, to provide stipends to our staff, you help create stability in the lives of many homeless individuals. With your continued support, we can work towards stability in the lives of each individual in Rhode Island.
